To the Board of Commissioners Pointe Coupee Parish Tourist Commission New Roads, Louisiana

Management is responsible for the accompanying financial statements of the governmental activities, the business-type activities, and each major fund of the Pointe Coupee Parish Tourist Commission (Commission), a component unit of the Pointe Coupee Parish Council, as of and for the year ended December 31, 2020, which collectively comprise the Commission's basic financial statements as listed in the table of contents, in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

Management has elected to omit substantially all the disclosures and statement of cash flows required by accounting principles generally accepted in the United States of America. If the omitted disclosures and statement of cash flows were included in the financial statements, they might influence the user's conclusions about the Commission's financial position, results of operations, and cash flows. Accordingly, the financial statements are not designed for those who are not informed about such matters.

Management has omitted the management's discussion and analysis and budgetary comparison information that the Governmental Accounting Standards Board requires to be presented to supplement the basic financial statements. Such missing information, although not a required part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Such information is the responsibility of management.

The accompanying supplemental information schedules listed in the foregoing table of contents are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management. The supplemental information was subject to our compilation engagement. We have not audited or reviewed the supplemental information and do not express an opinion, a conclusion, nor provide any assurance on such information.
